How To Program an Autostart Remote Control Without a ...

A remote starter enables you to keep the car running with the air conditioner on and the doors locked, so both your car and your pet are safe. Lastly, a remote starter is excellent for those times when you have your hands full either with the kids or with groceries. In addition to starting the car with a push of a button, many remote start systems also allow you to unlock the car as well, so even with your hands full, you can start the vehicle and get in without too much fuss.
