Axis of Convenience: Moscow, Beijing, and the New ...
A xis of Convenience cuts through the mythmaking
and examines the Sino-Russian partnership on its own
merits. It steers between the overblown interpretation
of an anti-Western (particularly, anti-American)
alliance and the complacent assumption that past
animosities and competing agendas must always
divide the two nations.

Axis of Convenience: Moscow, Beijing, and the New ...
Axis of Convenience provides an interesting look at the political strategy of Russia and China in relation to the Far East and central Asia. Bobo Lo considers the modern Russian approach to a multivector strategy that focuses on Europe but also uses areas like the Middle East and China as part of its strategic considerations.
