Starting Hardmode is very difficult: you're underequipped and almost everything is stronger than you. You will have to return underground in search of ores to get some decent gear. But first, you'll need to make a detour because none of that new ore actually exists yet. You'll have to smash a few Altars with the Pwnhammer to make it appear.

Hardmode is a game advancement that is triggered in a world when the Wall of Flesh is defeated for the first time. The change is permanent (unless using third-party tools, ignored in this guide). The beginning of Hardmode is considered to be one of the hardest parts of the game, so this guide will hopefully make it easier for a new player.
